Yantra:
The Visual Tool
Yantras are visual tools that serve either as centering devices or as symbolic compositions of energy patterns.

Dutch Master Artist Pieter Weltevrede will teach how to draw and watercolor paint a beautiful yantra in the ancient Hindu tradition.

"The act of drawing and painting yantras teaches the mind how to concentrate, and be one pointed". Harish Johari

At the

Bodega Stage Coach Stop
17135 Bodega Highway, Bodega, CA
