

Sacred Painting Haridwar

Deity, Mandala & Yantra Painting with
Pieter Weltevrede & Mavis Gewant

This very special workshop will take you deeper into your painting practice. This is a great opportunity to study with two of Harish Johari's (Dada-ji) close students with over 30 years of sacred art experience.

Morning painting classes will leave afternoons for exploration, visits to local temples, ashrams and Rishikesh. Experience living in a holy town as Shivaratri takes place.
